

Access Codes/E-Packs

Some courses at Otero Junior College use web based programs or course materials called E-Packs, which are provided by the textbook publisher. In a few cases, you will need an Access Code in order to complete your login to these courses or to access all course information. If your course uses web based programs or an E-Pack, the access code will generally be included with your textbook. You may need to purchase the E-Pack Access Code separately, particularly with a used book. Ask in the Otero Junior College Bookstore about purchasing an Access Code.
