**What is an OJC Hybrid Course?**

Are courses that provide students some flexibility. Students will have scheduled face-to-face meetings with OJC instructors in these courses; A Learning Management System (LMS) is to be used to enhance the experience, allowing students to access course materials, complete reading and writing assignments, take exams, and communicate with the instructor and other students. OJC Hybrid courses are not independent study or self-paced, they are instructor-paced. Students may contact their instructor via phone, email, or personal visits. **Students will need to be proficient with computers to access the Internet, reply to emails, and send attachments. Students also need to assume responsibility as a full partner in their Hybrid learning process.**

**Who can I call with questions about OJC Hybrid courses and registration?**

Questions regarding OJC Hybrid courses can be directed to: Brad Smith at (719) 384-6869 or Angela Benfatti at (719) 384-6985. All have offices located at the Student Services Center.

*Students who do not have access to a computer may find computers available in the Educational Assistance Center, in McBride Hall, in the Wheeler Library, or during open computer labs on campus.*

Wheeler Library will be open Monday – Thursday 8:00 AM – 9:00 PM, Fridays 8:00 AM – 3:00 PM, and Sundays 6:30 PM – 9:30 PM unless posted otherwise  
 Unless posted otherwise, the spring session hours for The Student Success Center are Mondays – Thursdays 7:30 AM – 8:00 PM and Fridays 7:30 AM – 4:00 PM
