

How will I afford college?

Paying for educational advancement can be a challenge but there are many resources out there that exist for this very purpose. Some to keep in mind are:

College in Colorado

CollegeInColorado.org, offers a one-stop resource to help students, parents and counselors plan, apply and pay for college. www.collegeincolorado.org

FAFSA

The FAFSA is a common application for federal loan and grant programs. It is used to determine if you are eligible for federal student financial aid programs. www.fafsa.ed.gov

College Opportunity Fund

The College Opportunity Fund (COF) provides a stipend to eligible undergraduate students. The stipend pays a portion of your total in-state tuition when you attend a Colorado public institution or a participating private institution. COF@college-assist.org
