\*EST 290 Professional Development/Continuing Education . 3

\*If student is already licensed as Cosmetologist or Esthetician or is looking for advanced training, EST 290 would replace EST 230 in the Esthetician course plan. EST 290 would be a two-day training where students would receive equipment training on Day 1 and bring in three models on Day 2 to work with the Microdermabrasion machine for state wide certification.
