to your students

ATTENTION ALL TEACHERS AND HELPERS!!

Below is a list of supplies you will need to bring with you when you come to hang your artwork.

Binder Clips Paper Clips Push Pins Thumbtacks with long backs

The chicken wire is GONE forever. Please plan to hang all of your art on the bulletin board free standing displays with push pins and the peg board book displays with bent paper clips this year. Most items will require binder clips also.

Push pins or thumbtacks (long backs) on all four sides of the art is the best way to secure items on the flat panels.

NO Tape ALL Art MUST be secure enough to hang one week without falling

DO NOT FRAME ART, it makes it too heavy. Matted with shrink wrap is preferred.

PLEASE REMEMBER THE ABOVE SUPPLIES ARE NEEDED TO HANG YOUR SCHOOLS ART ENTRIES

Please bring your art sorted by grade level. You will be hanging your art by grade and judging art by categories of grade and medium. Each grade level will have an assigned area.
