2/16/2021 Crowley/Otero COVID-19 Update #2: Crowley/Otero COVID-19 Dial Level Updates

Please take the time to read and understand this entire message.

Internet links: Before I send out each update, I check the links to make sure they are active. However, links do change from time to time, so the links I sent out today may not be the same tomorrow. You may have to search around a bit.

Hello to all. Below are the latest Crowley & Otero Counties COVID-19 Dial Level updates:

- ✓ **Crowley County**: Crowley County just numerically passed into the Level Yellow threshold with a rate of 116.05. This is the non-prison inmate one week cumulative incidence rate per 100,000 population for the time period of 2/8/2021-2/14/2021. For a one week period, the threshold between Blue Level and Yellow Level is 100.
 - What does this mean:
 - This is very recent data with just 2 date points (2/13/2021 & 2/14/2021) in Yellow Level;
 - This does not establish Crowley County in Level Yellow yet;
 - This DOES NOT establish a trend yet, it's too early to tell;
 - Crowley County HAS NOT moved to Yellow Level; &
 - Crowley County is still in Blue Level.
- ✓ **Otero County**: Otero County has maintained in Blue Level with a rate of 76.58. This is the one week cumulative incidence rate per 100,000 population for the time period of 2/8/2021-2/14/2021. For a one week period, the threshold between Blue Level and Yellow Level is 100.
- ✓ Let's keep our rates down! PLEASE, PLEASE, PLEASE:
 - Consider getting a COVID-19 vaccination when it becomes available to you;
