Happy Friday to all. Please find this week's COVID-19 updates below:

1. **Current COVID-19 Dial Status**

- ✓ Crowley County: On Wednesday, 3/17/2021 Crowley County officially moved to Green Level, Protect Our Neighbors (PON), congrats on this great achievement! Check out the attachment, it is nice to see that green spot on the Colorado map! For the assessment period of 3/3/2021-3/16/2021, Crowley is achieving all 8 Green Level/PON metrics.
- ✓ Otero County: After my data review this morning I found that Otero County is now ready to submit a Protect Our Neighbors/Green Level application to CDPHE!!! I have generated and sent the attestation/application letter to the local signatories, and CDPHE has already validated the data. A BIG THANKS to Elle Child of CDPHE for the lightning-fast response! I will submit the attestation/application letter to CDPHE after I get all of the local signatures. Way to go Otero!!! It's not official yet, so we are still in Blue Level. Below are the specific disease incidence metric criteria and data that currently qualify us for PON:
 - One week (3/11/21-3/17/21) average test positivity rate less than 5%: Yes, 0.71%
 - AND
 - Minimum testing rate of 0.75/1,000 people: Yes, 7.17 on 3/17/21; 7 day moving average of 3.32 recorded on 3/17/2021
 - AND
 - Less than/equal to 50 cases/100K in past week: Yes, 27.35

5. **VACCINATION INFORMATION**
 - a. **Phase/Prioritization and Timelines**
 - **Important Note**: Timeline subject to change based on supply chain. Prioritization subject to change based CDC guidance, data, science, availability.
 - **Website**: [Find out when you're eligible for a COVID-19 vaccine | Colorado COVID-19 Updates](#)
 - **Phase 1A**
 - Timeline: Currently vaccinating
 - Eligibility requirements
 - People who have direct contact with COVID-19 patients for 15 minutes or more over a 24-hour period.
 - Long-term care facility staff and residents.
 - **Phase 1B.1**
 - ✓ Timeline: Currently vaccinating
 - ✓ Eligibility requirements
 - Coloradans 70 and older
 - Moderate risk health care workers
 - First responders.
 - **Phase 1B.2**
 - ✓ Timeline: Currently vaccinating
 - ✓ Eligibility requirements
 - Coloradans ages 65-69
 - PreK-12 educators and school staff
 - Teachers (full-time, student teachers, and substitutes)
 - Bus drivers, school food service workers, counselors, administrative staff, safety workers, and other support services offered inside the school.

- Child care workers in licensed programs.
 - State Government: Members of the Executive, Legislative, and Judicial branches of government.
- **Phase 1B.3**
 - ✓ Timeline: Currently vaccinating
 - ✓ Eligibility requirements
 - People age 60 and older
 - Frontline essential workers in grocery and agriculture
 - People ages 16-59 with two or more high-risk conditions
 - **Phase 1B.4**
 - ✓ Timeline: Currently vaccinating
 - ✓ Eligibility requirements
 - People age 50 and older
 - Frontline workers
 - People with high risk conditions
 - Continuity of operations for state government
 - Continuity of operations for local government
 - A much more detailed list for Phase 1B.4 can be found here: [Find out when you're eligible for a COVID-19 vaccine | Colorado COVID-19 Updates](#)
 - **Phase 2**
 - ✓ Timeline: To be determined
 - ✓ Eligibility requirements: General public.
 - For vaccination phase information in **Spanish**, please go to this website: [SPA phase distribution](#)
 - More detailed definitions for each of these phases is available at: [Find out when you're eligible for a COVID-19 vaccine | Colorado COVID-19 Updates](#)
 - Please note: As we move through phases, people in previous phases remain eligible.
- b. **Phase 1B.1, 1B.2, 1B.3, & 1B.4 Vaccination Registration:** Crowley and Otero residents that are eligible for Phases 1B.1, 1B.2, 1B.3, & 1B.4 can register for OCHD vaccination clinics. We will contact those registered on a “first registered, first served” basis as vaccine supply allows. Here is the website to register: ochdvaxnow.com
- c. **Vaccination Registration Assistance:** If you need assistance with online registration, we are happy to help you register for a vaccination. Please call the following OCHD staff during normal business hours and ask for assistance with vaccination registration:
- ✓ Dee Leyba, 719-241-4741
 - ✓ Carolina Cortez, 719-468-8083
 - ✓ Notes
 - If these staff are not readily available, please leave your name and phone number and they will return your call as soon as they are able.
 - This is for individuals in Crowley and Otero County.

- d. **Ayuda En Espanol (Spanish Language Assistance):** Para ayuda en Espanol, habla con Debbie Jaramillo en 719-383-3040 por favor (For help in Spanish, please call Debbie Jaramillo at 719-383-3040).
- e. **Vaccinations Through Medical Providers:** If you have not yet received your vaccination, please check with your medical provider or local pharmacy regarding eligibility and vaccine supply. You can still check with your medical provider even if you have registered on OCHD's website. If you have already registered on our website and you get the chance to get your initial vaccination at your medical provider, **take it!** Then when we contact you to schedule your vaccination, simply tell us you have already received it at your medical provider's office and we will simply take you off of our list and contact the next person in line.
- f. **OCHD Vaccines:** OCHD is now using both Moderna and Pfizer vaccines. OCHD does not get to choose which vaccine we receive, and we have absolutely no hesitancy in using either Pfizer or Moderna. The Pfizer vaccine requires ultra-cold refrigeration, and OCHD has an appropriate ultra-cold freezer that maintains this vaccine at the proper temperature. Additionally, we have a digital temperature logger attached to it to ensure that the vaccine stays at the proper temperature. It is critically important that we use what we receive, and both of these vaccines are authorized and recommended for use.
- ✓ If you would like to learn more about the Pfizer vaccine, please visit this website: [Coronavirus COVID-19 Vaccine Update: Latest Developments | Pfizer](#)
 - ✓ Here is where you can get information on the Moderna vaccine: [Moderna's Fully Enrolled Phase 3 COVE Study of mRNA-1273 | Moderna, Inc. \(modernatx.com\)](#)
 - ✓ If you have any further questions, please contact Dee Leyba during normal business hours at 719-241-4741
- g. **Booster Shots**
- ✓ Where to go to get your booster shot: If you received your first vaccination through OCHD, we will contact you to arrange a time for your booster shot. If you received your first shot at another medical provider (i.e., your doctor's office or pharmacy), please contact them regarding your booster shot. Regardless of where you go to get your booster shot, please be sure to bring your COVID-19 vaccination card that you received during your initial vaccination.
 - ✓ Booster Shot Timing: Here is the CDPHE information regarding the timing of booster shots: *"If it isn't possible to get the second dose on the right day, the second dose can be given early, up to 4 days before it is due. Additionally, the second dose can be given as late as 42 days (6 weeks) after the first dose. This is called a grace period."* Here is the website where you can read the above information [COVID-19 Vaccine frequently asked questions | Colorado](#)

[COVID-19 Updates](#) and the information is under the heading entitled “Getting your second dose of vaccine”.

- ✓ **Booster shot appointments:** If you received your first dose of COVID-19 vaccine from OCHD, we will contact you to make an appointment for your booster shot. We are having some trouble contacting a few people because they are not answering their phones nor returning messages. Please answer your phone or return a message from OCHD so we can schedule your booster shot appointment.

- ✓ Approximate community (non-inmate) vaccination rate per 100,000 population: 32,130
 - Change from last week's update: Increased by 3,374
- ✓ Total Cases: 2,103
 - Change from last Friday's update: 30 cases added
 - These numbers include inmates and nursing home residents (please see Facility Outbreaks below).
- ✓ Community Cumulative Incidence Rates per 100,000 Population
 - One week (for the time period 3/10/2021-3/16/2021): 16.58

- Important Note: Facility outbreak numbers (i.e. prisoners and nursing home residents) are only updated by CDPHE once per week, on Wednesdays after 4:00pm. Total case numbers, on the other hand, are updated daily by CDPHE. This means that there could be facility cases reflected in the total case numbers that are not yet reflected in the facility numbers. And remember, total case numbers are cumulative, meaning they include all cases since the outbreak began. Yes, I know, it's confusing. I have color-coded it to hopefully make it a bit clearer. Additionally, data is constantly moving and changing, and different websites/digital platforms take time to exchange and update their data, which does not make things any less confusing.
