- ✓ 194,697 people tested
- ✓ 1,494 deaths among cases (view surveillance data: <https://covid19.colorado.gov/data/surveillance-data>)
- ✓ 1,228 deaths due to COVID-19
- ✓ 292 outbreaks (view outbreak data: <https://covid19.colorado.gov/outbreak-data>)

What can you do RIGHT NOW?

- ✓ Read, understand, and comply with public health orders! Public health orders can be found here: <https://covid19.colorado.gov/covid-19-in-colorado/public-health-executive-orders-resource>
- ✓ Stay home if you are sick and, if needed, call your medical provider.
- ✓ Wear an appropriate mask if you must go out for an essential activity.
- ✓ If you are in a high risk group, take extra precautions.
- ✓ Cover your cough and/or sneeze.
- ✓ Keep your fingers and hands away from your face.

- ✓ Wash your hands a lot.
- ✓ Stay informed by trusted and reliable sources. Be careful about believing what you read on social media sites. Trusted sources/websites:
 - OCHD: <https://www.oterogov.com>
 - Centers for Disease Control: <https://www.cdc.gov>
 - CO State Health Department: <https://www.colorado.gov/cdphe>
- ✓ Do these things so you will be prepared, and not scared.
- ✓ And remember, “This too shall pass.”

Until next time,

Richard Ritter, Executive Director
