Welcome —

The Otero Junior College Residence Hall Staff welcomes all students to OJC Housing—Wunsch Hall, Conley Complex and the South Site. We are committed to creating an environment that provides each resident the best possible opportunity for academic and personal growth. On-campus living requires rules and regulations to preserve a safe, healthy and enjoyable atmosphere. This handbook is intended to clarify policies and guidelines for the operation of the housing of students at Otero Junior College. We urge you to read and become familiar with what services are available to you, as well as what is expected of you.

We hope that OJC Housing will aid you in having a successful year. Most of all, we hope that your time at OJC will be all that you want it to be.

Residence Hall Staff—

The following staff members serve as individual advisors for you and supervisors of Wunsch Hall activities. You are encouraged to go to them for assistance.

Residence Hall Director

A full-time Residence Hall Director lives in Wunsch Hall. The primary focus of the Residence Hall Director is to create a positive learning and living environment. The Residence Hall Director is responsible for the entire operation of OJC Housing, including training and supervision of Resident Assistants, reporting maintenance related issues to the Director of Auxiliary Services, and dealing with violations of policies and procedure. He/she is the advisor to Wunsch Hall Club, makes room assignments, and is also available for individual counseling. Office is located in Wunsch Hall Lobby. Office phone number 719-384-6875.

Assistant Residence Hall Director

An Assistant Residence Hall Director lives on site at the Conley Complex to assist the Resident Hall Director in daily operations of OJC resident halls. This includes dealing with violations of policies and procedures and assisting students as needed. Office is located in Wunsch Hall Lobby. Office phone number 719-384-6875.

Resident Assistants are OJC students who live in OJC Housing. There is one Resident Assistant living on each floor of Wunsch Hall and in each building of the Conley Complex and South Site Housing. These students are selected and trained to promote the general welfare of all students living in the residence hall. They are available to assist you. The Resident Assistants will be respectful of your privacy so you will need to seek out their help, if needed.

Director of Auxiliary Services

The Director of Auxiliary Services is responsible for all phases of student housing. His/her office is located in room 105 of the Student Center. Office phone number is 719-384-6890.

Custodians

The custodians play a big role as members of the Residence Hall Staff. They work for both you and the college. The lobby, hallways, restrooms and stairways are cleaned by them daily. It is your responsibility to help maintain a clean atmosphere from day to day, making OJC Housing an enjoyable place to live.
Housing Contract —

The Application/Contract that you have signed is for room and board. The contract is applicable for the entire academic year, August through May or for that part of the academic year remaining after the effective date of the contract. If you leave OJC, the contract is automatically terminated subject to the terms of the contract. You are responsible for knowing the terms of the Application/Contract. To request a release from the contract, you must file a written request with the Residence Hall Director. Residents must be 17 years of age or older at the beginning of the year under contract. The college president may grant a waiver of the minimum age based on extenuating circumstances unique to the role and mission of community colleges. See appendix for a copy of the housing contract.

Occupancy of College Housing —

OJC Housing will open two days prior to the beginning of classes for fall and spring semester. OJC Housing will be closed for semester break. No students may occupy the dorm during this time.

OJC Housing will be closed for Thanksgiving break Wednesday through Saturday. Students may stay if they have received permission from the Residence Hall Director.

OJC housing will be closed for Spring break. Students may stay if they have received permission from the Residence Hall Director.

During Thanksgiving and Spring break your regular electronic key will not open the exterior doors unless you have made arrangements with the Dorm Director in advance.

Dorm rooms are occupied when the student checks in at the beginning of a semester until the student checks out at the conclusion of the year. Students who leave at the end of fall semester and will not be returning for the following spring semester will be considered checked out.

Thanksgiving, Semester, and Spring Breaks

During breaks windows in your room MUST be shut and locked and all perishable and valuable items removed. All rooms will be checked by the Residence Hall Staff for compliance.

See appendix for a calendar of scheduled breaks.

Check In —

Residents are required to formally check in at the beginning of the semester with a member of the Residence Hall Staff. Students must officially check in no later than 5 p.m. on the first day of classes in order to maintain their room assignment. Students who need to arrive after the deadline may have their assignment held for a limited period of time upon request to the Residence Hall Director.

Check in will begin two days prior to classes starting. Students who arrive prior to that time will not be allowed occupancy and will need to make accommodations to stay off campus.

Upon check in, students will be accompanied to their room by a Resident Assistant or college staff member. The student will review and sign the room inventory sheet to confirm the present inventory of furniture and condition of the room. The room inventory sheet will become the basis for the assessment of charges due to damage or loss furnishings. Any discrepancy will be resolved with the Residence Hall Director prior to the student moving in.

Check Out —

Students must remove all belongings from their assigned room when they end their schooling. Withdrawal from OJC requires check out from your assigned room the same day. Check out procedures require you to make an appointment with the Residence Hall Director. Your room will be checked for damages. A review of room inventory will be completed. You and your roommate(s) will be charged for damage to your room and for any missing items. Your room should be in the same condition as when you checked in less normal wear and tear. The room and mailbox key (if applicable) must be turned in at time of inspection. Failure to check out properly may result in forfeit of the $100.00 deposit. If residents neglect to clean their room before checking out, they may be assessed a minimum $25.00 fine per resident. All original furniture must be in the room at the time of check-out. Replacement costs for missing furniture are charged to the room resident(s).
Safety—
It is our goal to provide a safe and secure environment to enhance the quality of life that is conducive to learning and is consistent with the educational goals of Otero Junior College. It is the residents responsibility to take ordinary safety precautions such as being aware of their surroundings and not propping doors open.

To confirm or update your contact information go to: www.ojc.edu and log on to My OJC. Go to STAY CONNECTED box on right. Click on Sign Up/Update OJC Alert. Complete the form with all the phone numbers you would like to have contacted in case of an emergency. For more information contact Student Services at 719-384-6831.

Your Room —
Room Assignments
Roommate assignments are made by the Residence Hall Director with the assistance of college staff. Students who wish to request a specific roommate may do so when they complete the housing contract. These requests are taken into consideration but cannot always guarantee that’s who your roommate will be.

All room changes must be approved in writing by the Residence Hall Director. If you have problems with a roommate, please contact the Residence Hall Director to work out the problem or to make a change. Any resident who changes rooms without the written permission of the Residence Hall Director will be fined $50 and be required to move back to their original room assignment. Neither parents, residents Assistants, athletic coaches, nor most any other staff can authorize a room change except for the Residence Hall Director. Otero Junior College reserves the right to change any room assignment without notice.

Every dorm room has a hard wire internet connection. You will be responsible for supplying any necessary cords to connect to the internet wall jack.

Cable Television
Basic cable is included in your housing facility fee. Your television must be cable ready and you must know how to program channels. There is a cable jack located in your room; it is your responsibility to provide the cable line to plug into the jack. HBO and Cinemax are available at an additional cost per room per channel. Payment must be made to the Bresnan office located at 2218 San Juan Ave. Payment for premium channels may be paid for per semester or per year. No refunds will be issued.

Calls To OJC Housing
To call into OJC housing dial (719) 384-6950. An automated attendant will answer calls and prompt the caller to enter the extension they would like to be transferred to. Your room number is your extension number.

Emergency calls from family may be made to (719) 384-6874.

Room Keys
Electronic card keys are issued to dorm residents at check in and they should access the following locks:
Wunsch Hall: Wunsch lobby entrances, east or west wing doors (depending on which wing your room is in), your dorm room door, Conley B lobby and laundry facility
Conley Complex: Your dorm room door, Conley B lobby and laundry facility, Wunsch lobby
South Site: Your dorm room door, South Site lobby and laundry facilities, Conley B lobby and laundry facilities, Wunsch Lobby

Make sure you have your key with you AT ALL TIMES! Propping or taping your door open will allow other people access to your room and your possessions. Giving someone your key will allow unknown persons to enter and have access to your room. Conley Complex and South Site residence—please be aware that propping your door open can allow unwanted pests access to your room.

Other keys
Conley Complex: You will be issued a “hard key” for your wardrobe (where applicable) and a (delete) mail box key.
South Site: You will be issued a “hard key” for your mail box.

Lost Keys
You will be charged $15.00 to replace any lost key. Lost keys may take eight working hours to replace from the time it is reported to the Residence Hall Director. Lost keys should always be reported so they can be de-activated to prevent unwanted entry and theft.

Lockouts
If you are locked out of your room or loose your key the Residence Hall Director, the Assistant Residence Hall Director, the Resident Assistant on your floor and Security personnel are the only individuals who can open your door. There is a $5.00 fee for all lock outs. Fees collected for lock outs are used to fund resident hall activities.
Heating and Air Conditioning Units

**Wunsch Hall**
Your heat and air condition unit must be set on “auto” unless you place it on high for increased heat or cool. All units are set for air conditioning when school starts in the fall. When the weather warrants they will be switched to heat. Your unit will not change from heat to AC or AC to heat by changing settings on the individual unit. Heat and AC are controlled by a large boiler and/or chiller that is used for the entire building.

- **NEVER TURN YOUR UNIT OFF**
- Placing furniture and articles next to or on the unit will impede cooling and heating of your room.
- When you think your unit is not working (too warm or too cold) turn the unit off for 30 seconds. Turn your unit back on and wait for 30 minutes for results. If the problem persists contact the Residence Hall Director.

**Conley Complex and South Site**
Each room is heated/cooled by an individual unit in each room. However, there are pre-programmed set points and they will not allow you to cool your room below 68 degree in the fall/spring or heat your room above 78 degree in the winter

Your heating coil unit is susceptible to freezing when the outside temperature is below 32 degrees and you leave your window open. Students will be held responsible for any damage and clean up.

**Windows**
Windows should never be left opened as windows that are left open when the outside temperature is below 32 degrees may cause your heating coil to freeze and damage your HVAC unit. Students will be held responsible for any damage and clean up

Your window may be opened for fresh air but should not be used to regulate the temperature in your room

Your windows should be closed and secured when you leave your room for security reasons, energy conservation and protection of your room furnishings from weather.

Do not remove window screen. Residents will be charged for screen damage

Moving items in or out the window is not permitted.

**Wunsch Hall:** Dorm rooms have either one or two windows. Each window is solar reflective and has insulated glass. Window coverings attached to the glass to block out light will not be permitted. To open a window, release both latches and turn the crank towards the window latches. Do not force the crank. Decals are placed near each window to assist you in which way to turn the window crank.
Your Room - continued

Fire System
Every dorm room has a smoke detector that is monitored at an off site location. Removing, covering or altering a smoke detector in any way is a serious safety violation. If the smoke detector in your room is found to be covered or altered in any way you may be assessed a fine up to $350 and any replacement costs.

Conley Complex also has heat detectors and a sprinkler system

South Site has a hand held fire extinguisher in every suite

Tampering with the fire equipment or setting off a false alarm is a serious offense and could result in a fine and dismissal.

All fire emergencies should be handled by calling 911.

Any time smoke is detected in public areas of Wunsch Hall, a search of the surrounding rooms will take place by appropriate college staff. This includes the burning of candles and incense.

Housekeeping/Custodial Service
Custodial service is provided in the common areas of all dorms. (lobbies, laundry facilities, community bathrooms, corridors) College staff and dorm residents are equally responsible for the cleanliness of the housing facilities.

Each student is responsible for keeping his/her own room clean and orderly. If a room becomes a sanitation problem, the college reserves the right to have the room cleaned, and you will be billed the cost of the cleaning. When you check out of the Residence Hall, your deposit will be withheld for payment of cleaning if your room is not clean.

Trash
Please dispose of all trash in the appropriate trash facilities.

Wunsch Hall—Trash closets are located on all floors. Large items of trash (i.e. Boxes, rugs, etc.) should be taken to an exterior dumpster.

Conley Complex—All trash must be taken to dumpsters located in the adjacent parking lots.

South Site—All trash must be disposed of in the dumpsters located southwest of the dorm complex.

Any dorm room that consistently DOES NOT properly dispose of their trash may be fined or required to pick up trash on campus.

Food in Room
To comply with sanitary regulations, all food kept in your room must be appropriately stored in tightly covered metal or plastic containers.

Food Disposal
Please dispose of food in the appropriate trash facilities—not in the bathroom sinks or water dispensers.

Haircuts
No haircuts are allowed outside of an individual’s room. Haircuts are not allowed in the bathrooms.
Room Entry
The College will not enter a student’s room unless accompanied by the student, their authorized representative, or a second authorized College representative. However, the College reserves the right to enter a student room for the purpose of inspecting the premises for adherence to fire and life safety guidelines, routine cleanliness inspections, maintenance or necessary repair. The College also reserves the right to enter a students room when an authorized agent has reasonable suspicion of a violation of contract that includes: a) an occupant of the room may be physically harmed or endangered; b) damage is being done to College property; c) College policy is not being adhered to as stated in the OJC General Catalog, Student Handbook and the OJC Housing Handbook.

Damages
Residents of OJC Housing are responsible for damages, mutilation, destruction or defacing of rooms and furniture in the rooms. Residents will be charged for burns, stains and scratches, breakage, use of nails, thumbtacks, screws, tape, and any other documented damage.

The use of sticky tape or tacky putty to hang materials up in your room is strictly prohibited. No drilling of holes in any part of the room is permitted. You will be billed the cost for destruction of college property.

General Housing Information

911 Calls
Call 911 only when you are reporting an emergency. It is a felony to call 911 when an emergency does not exist. If you accidentally dial 911 do not hang up.

OJC EMERGENCY ALERT NOTIFICATION!
In the event of a campus closure due to weather or an imminent threat, you will be notified immediately via phone, text or e-mail.
Go to your OJC Student Portal and click on “Sign Up/Update OJC Alert”

Fire Evacuation Procedures
Complete and immediate evacuation of your residence hall is required once an alarm has sounded. If you do not evacuate the building when an alarm is sounded you could be fined.

In the event of a fire alarm Wunsch Hall residents should evacuate to the basketball court North of the building. Conley Complex residents should evacuate and meet at the greenhouse North of the complex. Please check in with your RA after evacuation.

Do not re-enter the residence halls after an alarm until OJC personnel and/or the fire department determines it is safe to re-enter the building.

The Fire Department will be notified every time an alarm sounds—even when it is a prank!

OJJC Housing Rules and Regulations

Student Housing seeks to serve the educational objectives of the College by offering facilities which provide a setting in which individual education is furthered. The intent of the rules and regulations of Student Housing is to establish reasonable limits within which the greatest number of residents can work effectively and live pleasantly.

Age Criteria
All single freshman students under 21 years of age who do not live with their parents or relatives while attending OJC are required to live in OJJC Housing. OJJC provides housing for students ages 18 to 23 years of age. All other requests require a petition to the Residence Hall Director.

Alcohol in Resident Housing
Alcohol is not allowed in resident housing even if you are 21 years of age. Anyone found in the possession of alcohol or in the presence of alcohol will be subject to the penalties described in the Drug and Alcohol Policy on pages 21-24 of this handbook. In addition, it is a felony to purchase/provide alcohol for anyone under 21 years of age.

Alcohol Paraphernalia Room Decorations
You will not be allowed to decorate your rooms with empty beer cans, bottles, kegs etc. Any alcohol paraphernalia found in a room will be subject to disciplinary action and have the paraphernalia confiscated immediately.

Alcoholic Beverages, Illegal Drugs and Paraphernalia
Students shall not bring (or arrange to have delivered) alcohol, drugs or paraphernalia on the premises of OJJC Housing. The use, consumption, or possession of such by residents or their guests is forbidden in OJJC Housing or on the premises. Any student found in the presence of alcohol or drugs, even if not consuming any substance, may still be held accountable for violating the Drug and Alcohol Policy. Violation of this rule will subject the student to arrest by the police and disciplinary action by the Vice President for Student Services.

Obnoxious Odors
An obnoxious odor is any aroma of such intensity that it becomes apparent to others. Any odor can become noxious or offensive when it is too strong. Some examples are incense, perfume, air freshening spray, wax warmers, garbage, or large amounts of dirty laundry. When an obnoxious odor can be localized to a particular room or person, the resident(s) and/or guests of that room may be found in violation of residence hall policy.

Obnoxious odors that are the result of persons using or being in the presence of marijuana, alcohol, excessive fragments, cigarettes, cigars, pipes, or other substances are prohibited because such smells disturb the living-learning environment of the residence hall. Students who smoke marijuana off campus, for example, but come back to the residence hall with a strong odor of marijuana on their person or clothing may be violation of this obnoxious odor policy. Violations will be documented and repeat offenders can be asked to leave the residence hall temporarily or permanently.

Behavioral Misconduct
Physical Harm
Causing another student or staff member to feel that they are in danger of bodily harm by actions of another person is prohibited. Inflicting or attempting to harm physically another person is prohibited. A person who instigates or willingly engages in a fight will be subject to college discipline and may be turned over to the police for investigation and possible criminal charges.

Fighting
No fighting of any kind is allowed in college housing. If you do engage in this type of behavior, the matter is subject to college discipline and may be turned over to the police for further investigation and possible criminal charges.

Harassment
Verbal, physical or sexual harassment will not be tolerated in OJJC Housing or on the campus of OJC. This includes direct or indirect comments or other communications, which may be intimidating, coercive or abusive to another person.

Candles and Incense
The burning of candles and incense is not permitted in OJJC Housing. Any time smoke is detected in public areas of Wunsch Hall, a search of the surrounding rooms will take place by appropriate college staff.

Destruction of College Property
Anyone found to be involved in an incident involving destruction of college property will be subject to the following penalties:
1. Disciplinary probation for the remainder of the school year
2. Possible arrest and prosecution to the fullest extent of the law
3. Complete re-payment for all destruction of property

Electrical Appliances
Heating, cooking, or air-conditioning equipment may not be used in the rooms. Any such equipment found may be confiscated; this includes Foreman grills, electric skillets, hot plates, open burners, gas cook stoves, full-sized refrigerators, and space heaters. Popcorn poppers, electric coffee pots, dormitory size refrigerators, stereos, VCRs, and televisions are permitted. Microwave ovens are permitted, but they must be mini, dorm-sized microwaves. Standard, kitchen-sized microwaves are not permitted. Keep in mind if you choose to have many electrical appliances in your room, you need to use a surge protector and avoid plugging everything into one outlet. Overloading the outlets will cause a breaker to trip and is considered a fire hazard.
OJC Housing Rules and Regulations

Fire
Fire alarms and equipment are installed for your protection. Smoke detectors are located in each resident room and in specified locations. Tampering with the fire devices (smoke detectors in the hallways and rooms, fire extinguishers, and pull stations) will result in fines, repair costs and disciplinary proceedings. You may be charged up to $350 for covering or removing the smoke detector in your dorm room.

Fire Extinguishers
Fire extinguishers are not to be removed from their casing unless there is a fire. Discharging a fire extinguisher is a crime and punishable by fines and other penalties.

Food Court
Dining room hours will be strictly adhered to unless prior notification from coaches or other OJC staff is received by a member of Sodexo management.
All plates, saucers, silverware, cups, mugs, and any other re-usable items must remain in the Rattler Den Food Court. Personal containers, including beverage containers, are strictly prohibited.
Board meal plans are strictly for your use only. Students found feeding other people from their meal plan will be subject to disciplinary action.
TO GO boxes will only be given to cash or flex-dollar paying customers. The dining hours have been extended to accommodate additional students, class schedules, and team practices.

Food Court-continued
Meal plan participants are welcome to eat as much as you want in the Rattler Den. You will be given a single serving of items, i.e. one hamburger, one vegetable, one starch, one sandwich. If you would like more, you are welcome to come back for seconds.

Furniture Transfer
It is not permissible to move any furniture from rooms or the lobby. A furniture restocking fee may be assessed per piece of lobby furniture found in a student’s room or if furniture is moved from an individual dorm room. Please leave lobby furniture in the lobby. Contact the Resident Hall Director for permission or to request assistance before removing any furniture from a dorm room.

Guests
A guest is someone not assigned to a particular room but is in the room at the invitation of an occupant.
Guests must be 18 years of age or older and have the consent of you and your roommate(s). A resident may not entertain a guest in a dorm room over the objection of a roommate.
While a guest is in the building, the dorm resident is directly responsible for that guest's conduct. If the guest is in violation of a policy or procedure, the dorm resident will be held responsible.
You and your roommate are responsible for guests visiting your room. The actions of your guests may cause you to lose your living privileges. Fire code does not allow for large groups in dorm rooms. No more than 8 people should be in your room at any time. All alcohol/illegal drug related parties/activities are prohibited. Students may not be in the presence of drugs or alcohol, even if the student is not consuming any substance. You are responsible for your guests and if their behavior is inappropriate, you must request them to leave. Should they refuse, contact the Residence Hall Director or the on site Resident Assistant.
OJC Housing is for residents only. Overnight guests of the opposite sex are NOT permitted in a student’s room. Overnight guests of the same gender are permissible but 1) must be acceptable to the roommate and 2) need to register with the Residence Hall Manager prior to arrival and 3) stay no more than three (3) consecutive days. Visitors may not take up occupancy in a room.
Relatives under the age of 18 will be permitted with proper supervision and with the advanced approval of the Residence Hall Director.
OJC Housing Rules and Regulations

Illegal Drugs in Resident Housing

Immediately upon having suspicion of a drug incident, including possession of drug paraphernalia, obnoxious odors resulting from drug use, actual drugs, or the cultivation (growing), possibly happening in OJC Housing, the Otero Junior College official in charge will contact the police to have them investigate the premises for suspicion and proceed as they deem necessary. Anyone found to be in violation of housing code involving illegal drugs will be subject to the penalties described in the Drug and Alcohol Policy on page 18 of this handbook. Illegal drugs will not be tolerated in the dorm. Students may not be in the presence of illegal drugs, even if not consuming any substance themselves. If you have information about illegal drug activity, contact the Residence Hall Director immediately.

Lobby Hours, Courtyards, Volleyball Pit, and Basketball Court

All dorm lobbies close at 1:00 a.m. each morning. Courtyards, volleyball pit, and basketball court observe quiet hours from 10pm and 8am daily.

Marijuana

Although possession and use of marijuana consistent with the requirements of the Colorado Constitution is no longer a crime in the State of Colorado, the possession and use of marijuana remains illegal under federal law. Consistent with federal law, including the Controlled Substances Act and the Drug Free Schools and Communities Act, the use and/or possession of marijuana continues to be prohibited while a student is on college owned or college controlled property, and/or any function authorized or supervised by the college and/or in state owned or leased vehicles. Obnoxious odors that are the result of persons using or being in the presence of marijuana are prohibited because such smells disturb the living-learning environment of the college campus. Anyone found in the possession of marijuana will be subject to the penalties described in the Drug and Alcohol Policy on pages 21-24 of this handbook.

Misrepresentation of your Identity

When asked by OJC personnel, you must properly identify yourself; for this reason, residents especially, are required to carry their college issued identification card with them at all times while in the residence halls. If locked out, students can only be given entry back into their residence hall room with proper student identification. On campus, your student identification number (S#) may be required for identification.

Pets and Support Animals

No unauthorized pets of any kind are permitted in OJC Housing. Your housing arrangements can be immediately revoked for having a pet. Live-in faculty and professional staff may be granted permission to have a dog or cat live in their own apartment. Emotional Support Animals and Service Animals are permitted only after a student has provided the college with appropriate documentation and has received written approval from the Residence Hall Director. A fine of $25 per day can be imposed on students who bring any unauthorized animal into OJC Housing.

Public Assembly

No parties or large group gatherings involving alcohol or illegal drugs will be allowed in resident housing at any time. All persons present at a group gathering involving alcohol or illegal drugs will be subject to the penalties described in the Drug and Alcohol Policy on pages 21-24 of this handbook.

Residents wishing to gather as a large group should do so in one of the lobbies, outside or in the Rattlers’ Den located in the Student Center. Arrangements to use other campus facilities can be coordinated with the RA’s and Dorm Director prior to assembly. It is a violation of fire code for more than 8 people to be in any one dorm room at one time. For your safety and the safety of your guests, please limit the number of guests in your dorm room to 8 people or less. The occupants of the dorm room will be responsible for all guests in their room.

No public assembly will be allowed between midnight and 6:00 a.m. Any group of 5 or more people gathered in the halls, lobbies or outside will be asked to disperse and may receive disciplinary action.

Courtey Hours and Quiet Hours

To ensure a quality experience for all residents, residence halls observe Courtesy Hours 24 hours a day, 7 days a week. All residents are required to keep themselves and guests from any unreasonable behavior that would greatly interrupt the living-learning environment. Additionally, Quiet hours in OJC Housing will be observed nightly beginning at 10:00 p.m. until 8:00 a.m. the following morning. When Quiet Hours are in effect, residents are expected to keep themselves and guests from any behavior that would even minimally interrupt the living-learning environment. During Quiet Hours, residents are encouraged to close their room door and / or lower the volume of electronics or talking so that sound is not audible more than one door away. Noise from talking, radios, electronic devices, phone conversations, etc. is strictly prohibited in the hallways and outdoor courtyards during quiet hours. Violation may result in disciplinary action. If you have a complaint regarding noise on your floor, please contact a Resident Assistant or the Residence Hall Director.

Restroom Facilities

In Wunsch Hall, members of the opposite sex will not be allowed to use the community restroom facilities. Men must go to the men’s side to use the restroom and women to the women’s side. Absolutely no member of the opposite sex will be allowed to take showers in the community restroom facilities in Wunsch Hall.
OJC Housing Rules and Regulations

Room Change
You are expected to reside in the dorm room assigned to you by the Residence Hall Director at the beginning of the semester. If you are unhappy with your room assignment or have conflict with your roommate contact the Residence Hall Director. Any resident who changes rooms without the written permission of the Residence Hall Director will be fined $50 and be required to move back to their original room assignment. Neither parents, residents Assistants, athletic coaches, nor any other staff can authorize a room change except for the Residence Hall Director. Under no circumstances should you change rooms without the prior written approval of the Residence Hall Director.

Room Occupancy
When you check in at the beginning of the semester until you check out you are considered the occupant of the room. You will be responsible for all personal possessions, college furnishings and activities within the room. You will not be allowed to stay in your dorm room between fall semester and spring semester.

Roommate Ready
Residents who are assigned to a shared room and who are not given a roommate (or the roommate moves out) may receive a new roommate at any time during the term of the contract (school year). Residents in a shared room are expected to have the room ‘roommate ready’ by having half the room clear of personal belongings and clean for any new potential roommate. Unused room furniture should be positioned in the room so that it is accessible to any new roommate, preferably in the original position. Residents who brought in their own furniture may be required to remove the excess furniture if it creates an appearance of overcrowding in the room. Finally, half of the room’s wall space and floor space should be clean and clear of any personal belongings. Residents are also expected to respond positively to a new roommate through an attitude of welcoming. Failure to have rooms ‘roommate ready’ or the refusal of a roommate to move in because of cleanliness, lack of space, etc., can result in a $50 fine to the offending resident. In addition to the fine, the resident will be charged the single-private rate for the room if the space is not ‘roommate ready’ within 24 hours. Residence Hall staff will regularly be attentive to and document ‘roommate ready’ violations. Roster verifications will take place at the beginning of each semester as well as at mid-semester each year.

Smoking
It is illegal to smoke in any State of Colorado owned building. Otero Junior College is a State of Colorado facility. SMOKING IS PROHIBITED IN ALL STUDENT HOUSING FACILITIES! Smoking includes but is not limited to cigarettes, pipes, bongs and hukas. If you smoke in student housing you may receive disciplinary action and be charged for the cost to clean or repaint your room.

Solicitation
The college prohibits soliciting, selling and distribution of samples in OJC Housing by non-student organizations. Soliciting by authorized representatives is permitted provided they have secured the written approval of the Residence Hall Director. If you discover a solicitor is in OJC Housing, please report them to the Residence Hall Director immediately.

Urinating in Undesignated Area
Urinating in student housing outside the restroom facilities is prohibited. If you are caught urinating any place other than the restrooms you may be asked to clean college facilities, be charged for clean up and received disciplinary action.

Vandalism and Graffiti
Vandalism and Graffiti are strictly prohibited on the Otero Junior College campus. If you are found to have defaced any college property you will be prosecuted to the full extent of the law and will be charged for damages.

Visitation Hours
Visitation hours are from noon until 1:00 a.m. Visitation rules apply to all visitors whether or not they reside in the dorm. All visitors must be out of the dorm or resident’s room by 1:00 a.m. These hours may be changed at any time at the discretion of the Residence Hall Director. No one under the age of 18 is allowed in resident housing.

Weapons and Firearms
Weapons of any kind shall not be brought into OJC housing facilities. Weapon include but are not limited to the following: knives, pellet guns, firearms, fireworks, ammunition, bows and arrows, paint-ball guns, air soft guns, bb guns, explosives of any type. If such items are found in your room or in your possession disciplinary action will be taken. Any resident discharging a firearm on campus will be removed from resident housing.

WiFi Connection and Use
At Otero Junior College, students are allowed to connect their personal devices to the OJCGuest network to access the Internet. Students living in the residence halls will not be allowed to bring their own WiFi routers, or any other type of device which would allow other devices to wirelessly connect behind them to access the Internet. Examples of such devices include but are not limited to home routers from Linksys, ASUS, Netgear, etc. These devices interfere with the WiFi devices already in place in the residence halls, and cause disruption in connectivity to other devices in the vicinity. For personally owned devices such as laptops, tablets, cell phones, students will be allowed to connect to the wireless access points already in place in the residence halls. The networking equipment used by OJC is capable of detecting wireless routers, and if discovered, will be blocked from accessing the network. Students will be asked to power off these devices, as they will still be generating radio frequencies that will interfere with the campus wireless access points. For hard-wired connections, there is one port available in each room. If students need to connect more than one hard-wired device, they will be allowed to bring an unmanaged switch with up to eight ports. OJC recommends using the Netgear 4 or 8 port unmanaged switches. These switches are inexpensive, and can be purchased online, or at outlets such as Best Buy.
Disciplinary Action —
Disciplinary action may involve one or a combination of the alternatives listed below:

**WARNING** - Notice to students indicating that they have violated a rule and reminding them of their responsibility to comply with all pertinent rules.

**PROBATION** - Status of students indicating that their relationship with the college is tenuous and that their record will be reviewed periodically to determine suitability to remain enrolled. Specific limitations and restrictions on the student’s privileges may accompany probation.

**SUMMARY SUSPENSION** - An immediate action by the college to separate the student from the college or part of the college to ensure the safety and well-being of members of the college community.

**SUSPENSION** - Separation of students from the college for a specific length of time.

**DISMISSAL** - Separation of students from the college on a permanent basis.

Students are expected to adhere to the College’s General Regulations and Resident Hall Handbook. If students are charged with violating the College’s code, they are entitled to have these procedures followed in the consideration of the charge. Copies of the Student Disciplinary Procedure are available from the Vice President of Student Services.

Residence Hall Discipline Policy

Student Housing seeks to serve the educational objectives of the College by offering facilities which provide a setting in which individual education is furthered. The intent of the rules and regulations of Student Housing is to establish reasonable limits within which the greatest number of residents can work effectively and live pleasantly.

Housing Rules and Regulations have been divided into two categories based on the severity of the offence.

**Level 1 Violations** include behavior and life safety rule violations that affect Student Housing but do not break any state or federal laws. Discipline of Level 1 violations are dealt with by Campus Security, Assistant Dorm Director and Dorm Director. Residents with multiple offence may be referred to the Vice President of Student Service by the Dorm Director for possible disciplinary action.

**Level 2 Violations** are more severe violations that include, but are not limited to, behavior that breaks state or federal law or endangers another person. All level two violations will be referred to the Vice President of Student Services who can issue disciplinary action. LJPD will be called to assist anytime there a resident involved in what might be a level 2 offence. If a student athlete is involved their coach will be contacted and expected to report immediately. If the coach is unavailable the Athletic Director should be contacted. If an International Student is involved the Director if International Programs (or their representative) will be contacted and expected to report immediately.

Disciplinary Action

The Vice President of Student Services has the authority to issue disciplinary action for any policy violation. Any housing resident with 3 disciplinary actions issued by the Vice President of Student Services within 4 semesters will be suspended from student housing.

Campus Community Service (CCS)

Defined as a service provided to the college as punishment for violating Student Housing Rules, OJC Housing Regulations or Student Housing Drug/Alcohol Policy as defined in the Student Housing Handbook. CCS for level one violations will be assigned and monitored by the Dorm Director. CCS for level 2 violations will be assigned and monitored by the Vice President of Student Services. Records of CCS will be shared between the Vice President of Student Services and the Residence Hall Director.

Residents have 2 weeks (10 school days) to complete assigned CCS or the original assigned hours of CCS doubles and they have an additional 2 weeks (10 school days) to complete. If they do not do the CCS within the designated time frame their housing privileges will be suspended. If it is not possible to complete the assigned CCS by the end of the semester a fine equal to the hours of CCS they have left to complete will be charged to their student account at a rate of $10.
Dorm Drug and Alcohol Policy:

Unlawful possession, use or distribution of illicit drugs and alcohol by students in the dorm is prohibited.

Substance Abuse Involving Alcohol

A. Statement of Compliance

Otero recognizes the social and personal consequences of drinking Alcohol and the pressure to drink as part of the college rite of passage as a young adult. We also recognize the college's responsibility to enforce the state law, which limits legal consumption of Alcohol to person over twenty-one years of age, and the Drug and Alcohol Free Campus Federal Law, which restricts any Alcohol or drugs on campus or associated with a college activity. As a local, state and federally funded college, we must abide by all legal regulations and then realistically deal with the student behaviors related to Alcohol use/abuse.

Police: The College will notify police when students are in possession of Alcohol and/or drugs in a residence hall room or any other location on campus. This procedure applies to all discipline levels including level one.

B. Philosophy of Enforcement

Otero will respond to all known incidents of alcohol possession on campus property or any college activity and any other violations of the Student Code of Conduct. Strictly punitive measures as required by law do not serve the needs of our students. Violations of the alcohol policy will be dealt with at the education and behavior change level first. The goal of the Alcohol/Drug Education Procedure is to inform, educate and seek behavior change. The college assumes each student is developmentally normal and will respond to reasonable educational sanctions regarding alcohol use. Otero will abide by all laws while providing alcohol/drug education and will enforce appropriate disciplinary consequences of all alcohol use.

Note: Situations where excessive quantities of alcohol are found may result in the disciplinary level / sanction being enforced at a higher level.

Level One - Educational Sanctions

A student who has been reported for a first violation of the alcohol policy will be required to complete the following educational sanctions:

A. Explanation of Procedure

A Residence Hall Director, Assistant Residence Hall Director, or Vice President of Student Services will review the procedure and potential consequences of alcohol use as a student and will explain the required sanctions and will conduct assessment of need. The student has seven days to complete an appeal through appropriate due process if deemed necessary.

B. Assessment of Need

The student will be required to participate in an assessment process (conducted by a Resident Hall director/Assistant Residence Hall Director) to determining appropriate educational sanctions. Completion of all sanctions is required before any future enrollment at the college. The Vice President of Student Services will monitor the completion of all educational sanctions. First level violations will be assigned one or more of the following sanctions:

C. Required Educational Sanctions

A Residence Hall Director/Assistant Residence Hall Director or the Vice President of Student Services will assign the student Educational Sanctions. Completion is required before any future enrollment at the college. (The student may be required to complete a Substance Abuse Class; cost paid by the student. Completion is required before any future enrollment at the college.)

D. Disciplinary Warning

A student who has been reported for a first violation of the alcohol procedure will be placed on Disciplinary Warning for thirty (30) days; additional violations will result in Disciplinary Probation. Violations during the warning period will result in additional disciplinary action.
Drug and Alcohol Policy—Continued
Level Two - Alcohol/Drug Education Class

1. Alcohol/Drug Education Class
   A student who has been reported for a second violation of the alcohol procedure within four (4) enrolled semesters will be required to enroll in an Alcohol/Drug Education Class. This class addresses participant’s knowledge, attitudes, and behaviors concerning alcohol and other drugs; encourages low risk decision making, positive life style changes and provides appropriate referral for those in need of further services. The student will be required to show proof of completion of this class prior to the next enrollment period. The student will pay the cost of the class.

2. Disciplinary Probation
   A student who has been reported for a second violation of the alcohol policy within four (4) enrolled semesters will be placed on Disciplinary Probation for the remainder of the four semester time period.

Level Three – Suspension of OJC Housing Privileges
   1. A student who has been reported for a third violation of the alcohol procedure within four (4) enrolled semesters will have their OJC housing privileges suspended for the remainder of the school year.

Otero will enforce the Alcohol and Drug Educational Sanctions for all enrolled students as written and we presume each student is developmentally normal and capable of responding to all reasonable sanctions. Otero is not a treatment facility for Alcohol/drug abuse; we are an educational institution promoting responsible personal behaviors and understanding of Alcohol/drug use through an effective and reasonable Alcohol/Drug Education Procedure.

Substance Abuse Involving any Illegal Controlled Substance:
   Otero strives to educate students as well as preserve a positive educational environment for all learners and active participants in the learning process. In order to provide a consistent and fair judicial process for all students, the following policy is based upon four main criteria. 1. Repeat violations by the student; 2. By type of controlled substance (i.e.: marihuana-cocaine-heroine); 3. The legal amount of controlled substance present; 4. The possible intent of the violator to use or distribute.

Marijuana Violation Judicial Levels
Level One – Possession and Use
   Level One is Possession only with no intent to sell or distribute. Possession may involve more than one person (student or non-student) and is confined to a contracted room. Amount and type of illegal substance in possession does not exceed a misdemeanor legal summons. Being physically present in a room where an illegal-controlled substance is visibly/physically being used and distributed implicates the observer as a violator. All people present will be subject to Level One Sanctions. An amount of controlled-illegal substance that is excessive beyond a misdemeanor level will cause Level Two or Level Three sanctions.

Sanctions for Level One
   An illegal possession will result in a police call for summons - always. The college judicial action will follow the current Level Two educational Level for Alcohol. This requires educational sanctions to be assigned. The student will be required to enroll in an Alcohol/Drug education class which will be paid for by the student. It will be the room occupant’s responsibility to pay for the cost of repairing and/or cleaning the room in which the marijuana was found in. The Disciplinary Probation is for thirty to sixty days. A repeat offense involving substance abuse within a four (4) semester time frame will result in a Level Two College Sanction of Interim Suspension.

Level Two – Possession and Use
   A student who has been reported for a second violation of the marijuana policy with four (4) enrolled semesters will face Level Two Sanctions.

Sanctions for Level Two
   An illegal possession/use of a controlled substance will result in a police call for a summons-always. The college judicial action is evasion (within seven days) and complete restriction from any residence hall and cafeteria. Disciplinary Probation is assigned for one (1) semester or eighty (80) days.

Level Three - Possession with Intent to Sell or Distribute
   Possession in an excessive amount is interpreted as intent to sell or distribute. There has been observed behavior of selling, distributing of an illegal-controlled substance. This activity may be confined to one room or expanded to more than one area on campus. Amount and type of controlled substance exceeds the misdemeanor level.
Drug and Alcohol Policy—Continued

Sanctions for Level Three
An illegal possession/use and distribution of a controlled substance will result in a police call for summons—always. The college judicial action is immediate eviction (within 2 hours) and an Interim Suspension from college. Complete removal from campus property will take place within two (2 hours) with police escort and total restriction from returning to campus until further notice.

Illegal Controlled Substance (other than marijuana) Violation
An illegal possession/use of a controlled substance other than marijuana will result in a police call for summons – always. The college judicial action is immediate eviction (within 7 days) and complete restriction from any residence hall and cafeteria.

**Resources for Victims of Sexual Misconduct**
Under Colorado law, public colleges are required to provide the following information for students who are victims of sexual assault.

1. If you are a victim of a sexual assault, you may request a medical forensic exam. This is important if you think you want to seek legal action. It is vital that a victim obtains medical treatment as soon as possible and does not bathe, shower, douche, or change clothes until given permission by medical personnel. You can have the exam without having to report the assault to law enforcement. You will not be charged for the cost of the exam.

The College has an agreement with the following providers for the exam.
Ryon Medical Center 1420 East 3rd Street La Junta, CO 81050 phone: 719-383-0303
Parkview Medical Center 400 West 16th Street Pueblo, CO 81003 phone: 719-584-4400

If you do not have transportation to the facility, you may contact a friend or family member, or Arkansas Valley Resource Center at 719-384-7764. Any cost for transportation is the responsibility of the student.

Medical Amnesty Policy -

Student health and safety are of primary concern at Otero Junior College. As such, in cases of significant intoxication as a result of alcohol or other substances, the College encourages individuals to seek medical assistance for themselves or others. If medical assistance is sought, the Vice President of Student Services will not pursue conduct charges against the following individuals for violations of the College’s alcohol or drug policies:

- The intoxicated student and
- Student(s) actively assisting the intoxicated student.

**Actively assisting requires that an individual:**

- Call La Junta Police Department (719-384-2525 or 911) or seek another individual qualified to assess the student’s condition such as a Resident Hall Director or other Resident Hall professional and
- Monitor the intoxicated student’s condition.

**The following are not covered by the Medical Amnesty Policy:**

- Students waiting until the police or other authority arrive before seeking assistance.
- Action by police or other law enforcement personnel.
- Violations of the Code of Conduct other than the alcohol/drugs policy.
- Possession with the intent to distribute drugs.

**Actions by the Student Conduct Officer:**

- The intoxicated student (and possibly those who were attending to/assisting the student) will be required to meet with the Vice President of Student Services or designee who may issue education requirements that may include, but are not limited to, alcohol and/or drug education, counseling, and/or a substance abuse assessment.
- Serious or repeated incidents will prompt a higher degree of concern/response. - Failure to complete the educational assignments or treatment recommendations normally will result in disciplinary action.
- The student will be responsible for any costs associated with drug or alcohol education interventions.
- No individual may receive amnesty under this section more than once in a two year period. Records of all requests for assistance under this policy shall be maintained by the Vice President of Student Services. Participation in any program as a result of this policy shall not be noted on the student’s judicial record. In the event an individual who previously utilized the Medical Amnesty Policy is involved in a subsequent alcohol related incident this incident and any resulting charges shall be treated as a alleged second offence.
- The Medical Amnesty Policy is not intended to shield or protect those students or organizations that repeatedly violate the Code of Student Conduct. In cases where repeated violations of the Code of Student Conduct occur, the College reserves the right to take disciplinary action on a case-by-case basis regardless of the manner in which the incident was reported.

**Medical amnesty applies only to alcohol or other drug-related emergencies but does not apply to other conduct violations such as assault, property damage, or distribution of illicit substances.** If other violations occur, then a student will face disciplinary charges for those violations. The use/or abuse of alcohol or drugs is never considered a mitigating circumstance for any other violations of the Student Code of Conduct. If other violations occur, then a student will face disciplinary charges for those violations. The use/or abuse of alcohol or drugs is never considered a mitigating circumstance for any other violations of the Student Code of Conduct.

- Students are expected to maintain a high standard of moral conduct. Students are expected to manifest attributes required of good citizens, both within and outside the precincts of the college: respect for order, morality, personal honor, and the rights of others.
- It is understood that students who enroll at Otero Junior College will assume the responsibilities involved by adhering to the regulations of the college. Improper conduct for which students are subject to discipline is described below:

10. Use, possession, cultivation, or distribution of non-prescribed drugs on campus.

Furthermore, delayed arrival shall not relieve me of responsibility for accepting other available accommodations assigned to me.

Terms Controlling Use and Rights of Occupancy of Rooms in College Residence Hall

1. The college reserves the right to refuse any application for accommodations in the College Residence Hall upon the return of the deposit.

2. CANCELLATION OF APPLICATION-CONTRACT BY APPLICANT: This Application-Contract may be canceled and the one hundred dollar ($100.00) deposit and any other payments on the Contract will be refunded provided request for such cancellation is received in the College Housing Office on or before AUGUST 1st of the current year. This Application-Contract cannot be cancelled by the applicant after the above-mentioned date if the applicant attends Otero Junior College during any part of the period for which accommodations are requested. If the applicant is officially denied admission to the college prior to the beginning of the period for which accommodations are requested, the deposit of one hundred dollars ($100.00) will be refunded.

3. APPLICATION OF DEPOSIT: If the Contract is fully completed by the applicant, hereinafter referred to as “student”, the deposit will be refunded upon surrender of the room at the end of the Contract year or graduation. Students must follow proper check out procedure to be eligible to receive their deposit refund ($100). See Housing Handbook: Check out.

4. PERIOD OF CONTRACT: The Contract is for the entire academic year, or, if the student applied for accommodations after the beginning of the academic year, for that part of the academic year remaining after the effective dates of the Contract. I agree that if I have not requested cancellation of the Contract on or before the date stated on the Contract, and if I attend Otero Junior College, I will live in OJC Housing during the entire academic year for which this Contract is made. If I fail to fulfill the terms of the Contract, I understand one of the following conditions will apply and that financial penalty will be imposed.

Moving from OJC Housing, I understand that my housing deposit will be forfeited. Moving from OJC Housing prior to mid-term (eight weeks into semester) will result in room and board charges being prorated. This proration will be applied in weekly increments. For example, if the student checks out on Tuesday, he or she will be charged through Thursday of that same week. After the eighth week, students will be charged for the entire semester.

5. BOARD PLAN: All OJC housing applicants upon check in will be registered for the 19 meal board plan unless they opt in writing for the 15 meal board plan at check-in. Once the semester commences, OJC housing students will have two weeks to change from the 19 to the 15 meal plan.

6. ROOM RATES: OJC housing students will have two weeks upon commencement of the semester to change their room status from a single room to a double room and will not be obligated to pay the $400 dollar single room per semester rate. This same standard is true for students wishing to move from E.J. Conley Complex to Wunsch Hall. Depending on availability, if after two weeks a student wishes to move from a single room into a double room in Wunsch Hall, South Site, or E.J. Conley, they may do so, but are obligated to pay the full single room semester rate (approximately $500 more). If a student wishes to move to the E.J. Conley Complex to Wunsch Hall or South Site two weeks after the semester begins, they may, if availability allows, but are obligated to pay the full Conley Complex room semester rate (approximately $300 more).

7. FULL-TIME STUDENT: Students living in OJC Housing are required to be of full-time status carrying 12 or more credit hours.

8. OCCUPANCY OF HALL: Rooms may be occupied two days prior to the first day of classes. Rooms may not be occupied by students when the Residence Hall is closed during vacation periods and must be vacated at the close of the academic year. All personal property must be removed from College property on the last day of the period of occupancy. The college does not offer any storage for belongings outside the occupants’ assigned room.

9. ROOM ASSIGNMENT, DORM PARKING, CHARGES, AND AND PAYMENTS: After a room has been assigned to the student the College will notify the student of their room assignment. The College reserves the right to change the room assignment and to require the student to move to different accommodations when the College deems it expedient, in which event the student's account will be credited, or charged, with any difference in the charges. I agree that should I bring a vehicle to OJC, while in attendance, I will obtain a parking permit for the window, display it and park in the designated areas for housing students.

10. The college reserves the right to have college personnel enter a student’s room for safety or maintenance/service issues.

11. FIRE, THEFT OR DAMAGE: The College will not be responsible for the loss of or damage to any of the student’s personal property. The student shall reimburse the College for all damage to the structure in which he is housed and damage to, or loss of, any College fixtures, furnishings or personal property furnished under this Contract caused by any negligence on the part of the student.

In the event that the accommodations assigned to the student are destroyed or otherwise made unavailable and the College does not furnish other accommodations in the same or another Residence Hall, the Contract shall terminate any and all rights and liabilities of the parties hereto shall cease and the right of the College and student to payments previously made by the student shall be prorated on the basis of the period for which accommodations were made available to the student.

12. WEAPONS/FIREARMS: Students may not bring any weapon or firearm, including handgun(s) carried in accordance with the Colorado Concealed Carry Act, 18-12-201, et. seq., C.R.S., into any residence hall. With regard to any weapons other than handguns carried in accordance with the Colorado Concealed Carry Act, 18-12-201, et. seq., C.R.S., college policies, rules and regulations prohibit weapons and firearms from being brought into any residence hall. As a student living in the dorms, you waive your right to the concealed carry law. Notwithstanding any other language in the Residence Hall contract, the college may terminate the contract immediately for violation of this provision. Toys designed to look like/firearm like weapons or firearms are expressly prohibited in the halls.

13. RULES AND REGULATIONS: The student shall comply with all rules and regulations of OJC Housing and of the College which are now, or are hereafter, in effect, which rules and regulations specifically made a part of the Contract reference. By affixing my signature I agree to comply with all disciplinary rules set forth in the Housing Handbook and general regulations of the college.

14. COMPLETION OF APPLICATION: Current application must be completed with current housing application and deposit paid in full.
