“Agriculture is our wisest pursuit, because it will in the end contribute most to real wealth, good morals, and happiness.”

— Thomas Jefferson

My college checklist included affordability, location, scholarships, and above all, an excellent Ag program. I found all that and more at OJC. The OJC Ag program has allowed me to increase my knowledge about agricultural as well as make many lifelong connections with amazing professors and fellow classmates. If you are looking for a welcoming campus that does its best to make students feel at home, OJC is the place. You will never find a closed door or have an unanswered question, and you have the reassurance of a smooth transfer. Once a Rattler Always a Rattler!

— Chelsea

We’re Focused on YOUR FUTURE!
Otero Junior College’s Agri-Business Management (ABM) program enhances the knowledge of farm and ranch producers in southeast Colorado through a variety of targeted skill-based certificates. Each certificate is delivered by way of online instruction, home-visits and cooperative learning. Emphasis is first placed on developing computerized records specialized to their enterprise that enables students to analyze the marketability and profitability of their overall operations.

Students enrolling in the certificate courses must be actively operating a farm, ranch and/or agricultural related business or in the process of developing an agriculture business plan.

**Program Certificates**
- Records and Business Planning
- Financial Analysis
- Commodity Marketing
- Market Plan Development
- Web Productivity and Utilization
- Advanced Business Management
- Integrated Management
- Profit Maximization
- Rural Business Entrepreneurship
- Leadership/Human Resource Management

**Livestock Production AAS Degree**
The degree provides students with a broad range of skills needed in the livestock industry, including management, breeding, selection, nutrition, health and basic business skills.

**Certificates**
- Agricultural Production Management
- Artificial Insemination (Cattle)
- Crop Production
- Livestock Production
