

# OTERO JUNIOR COLLEGE

## Elective Course List for Associate of Arts, Associate of Science Transfer Degrees

*OJC uses the courses listed below to fulfill the hours of credit required for either the Associate of Arts or Associate of Science transfer degrees. If a student has completed the core requirement in a category, additional core courses can be taken and would then count as elective credits. This list is based on courses that OJC traditionally offers. Courses with the GT notation are guaranteed transfer courses. There are additional courses that could be used as elective credit either through OJC, CCAonline, or transfer credit. It is a good practice to visit with an academic advisor when choosing all courses.*

WRITTEN & ORAL COMMUNICATIONS	NATURAL AND PHYSICAL SCIENCES/W LAB	ADDITIONAL ELECTIVES - cont
ENG 121 English Composition I: CO1 3	AGY 240 Introduction to Soil Science SC1 4	ART 132 3-D Design 3
