OJC Quick Guide

Access Codes/E-Packs

Some courses at Otero Junior College use web based programs or course materials called E-Packs, which are provided by the textbook publisher. In a few cases, you will need an Access Code in order to complete your login to these courses or to access all course information. If your course uses web based programs or an E-Pack, the access code will generally be included with your textbook. You may need to purchase the E-Pack Access Code separately, particularly with a used book. Talk to E Campus about purchasing an Access Code.

Catalog

You can access the Otero Junior College catalog at the following web link: <http://www.ojc.edu/about/publications/catalog.aspx>

Class Attendance

Students should always notify faculty and/or instructors of absences beforehand, if possible. If class work cannot be turned in due to: Serious illnesses or death in the family, arrangements are to be made between the student and the instructor. In case of extended absences, the Student Services Center should be notified.

OJC Hybrid class orientation is scheduled for the first week of class. Check the schedule for time and place. All students in Hybrid classes must log on to class within the first twelve days of any semester or they may be administratively dropped from the course(s).

FAQs (Frequently Asked Questions)

Please visit the FAQ section of the Otero Junior College website for quick answers to commonly asked questions.

Student ID

Your student ID number begins with an "S" followed by eight numbers (for example, S12345678). Your Student ID number is **not** the same as your Social Security Number. You will need this number to be able to access the My OJC campus portal and campus computers. If you forget your Student ID Number, please contact Student Services at 719-384-6831. PIN (Personal Identification Number)/Password

You will use the same 6-digit PIN that you created when you printed out your schedule in the My OJC portal. Your original PIN will be your 6-digit birth date. (Example May 18, 1975 would be 051875). The first time you log onto My OJC, you are asked to change your password. The new password will require at least six digits of mixed numbers and letters. This is the password you will use to access the My OJC Portal, your student gateway to transcripts and other information and the learning management system, Desire2Learn.

Accessing the Portal

You may access the portal prior to the beginning of classes. Once the semester begins, access to Desire2Learn delivered course

materials will also occur there. Follow these steps.

1. Go to: <http://www.ojc.edu/>
 2. Select “My OJC” in the upper right hand corner. Upon clicking, you are taken to the login page. You may get a warning or see a bar pop up under the browser address bar. If you get a security warning box, click “no”. If you get a bar, right click it and allow content.
 3. Enter your ID and Password as listed below:
