**What is an OJC hybrid course?**

Hybrid courses provide students some flexibility. **Students will have scheduled face-to-face meetings with OJC instructors in these courses.** A Learning Management System (LMS) is to be used to enhance the experience, allowing students to access course materials, complete reading and writing assignments, take exams, and communicate with the instructor and other students. OJC Hybrid courses are not independent study or self-paced. They are instructor-paced. Students may contact their instructor via phone, email, or personal visit. **Students will need to be proficient with computers to access the Internet, reply to emails, and send attachments. Students also need to assume responsibility as a full partner in their hybrid learning process.**

**Who can I call with questions about OJC hybrid courses and registration?**

Questions regarding OJC hybrid courses can be directed to Student Services at 719.384.6831.

*Students who do not have access to a computer may find computers available in the Learning Commons in the Wheeler Library.*

**The Library and the Academic Success Center will be open Monday – Thursday 7:30 AM – 10:00 PM,  
Fridays 7:30 AM – 4:00 PM, and Sundays 5:00 PM – 10:00 PM for the fall session unless posted otherwise.**
