OJC Quick Guide

Access Codes/E-Packs

Some courses at Otero Junior College use web based programs or course materials called E-Packs, which are provided by the textbook publisher. In a few cases, you will need an Access Code in order to complete your login to these courses or to access all course information. If your course uses web based programs or an E-Pack, the access code will generally be included with your textbook. You may need to purchase the E-Pack Access Code separately, particularly with a used book. Talk to E Campus about purchasing an Access Code.

Catalog

You can access the Otero Junior College catalog at the following web link: <http://www.ojc.edu/about/publications/catalog.aspx>

OJC Hybrid class orientation is scheduled for the first week of class. Check the schedule for time and place. All students in Hybrid classes must log on to class within the first twelve days of any semester or they may be administratively dropped from the course(s).
